

Long Beach Historical Newspaper Collection

Bound Volume List with Locations

This list reflects the Historical Society of Long Beach's holdings to the best of our knowledge. In some cases, the newspaper's publication schedule is unknown or changed over time. In other instances, the title and date span appears on the list twice, this reflects that the material is contained in more than one volume.

To access the collection, please email to archives@hslb.org. This project was made possible by a grant from the Long Beach Navy Memorial Heritage Association.
